The Story

"A Recent scientific breakthrough changed the way time is seen.

Manipulation of the space-time continuum is possible for the first time!

But some planetary colonies searching for power started changing events in the past. This had unforeseen consequences, with a terrorist group ascending to power and oppression weighting over the universe!

You are a freedom fighter equipped with a very special ship.

Thrown into the battlefield of an interplanetary war, you are in search of the Ztrog, the terrorist base spaceship.

Ztrog constantly builds enemy spaceships, adding to their already huge fleet. It needs to be stopped!

The universe needs you!"
